LIST OF CONTENTS
VOLUME 23

Number 1

Announcement	1	Rapid Communications
Allan D. Thomson	3	*Editorial*: Past, present and future
Martin A. Plant	5	Good news for doctors?
Adrian Dzialdowski, Nick Heather and John Crawford	7	Perceptions of drinkers and abstainers in a sample of Scottish adults
Henning Kelbæk, Lars Heslet, Knud Skagen, Ole Munck, Niels J. Christensen and John Godtfredsen	17	Cardiac function after alcohol ingestion in patients with ischemic heart disease and cardiomyopathy: a controlled study
D. Lucas, J. F. Ménez, P. Bodénez, E. Baccino, L. G. Bardou and H. H. Floch	23	Acetaldehyde adducts with haemoglobin: determination of acetaldehyde released from haemoglobin by acid hydrolysis
H. Sumi, H. Hamada, H. Tsushima and H. Mihara	33	Urokinase-like plasminogen activator increased in plasma after alcohol drinking
P. Bannister, L. Levy, R. Bolton and M. S. Losowsky	45	Acute ethanol ingestion raises plasma gamma aminobutyric acid levels in healthy men
M. Baines, J. G. Bligh and J. S. Madden	49	Tissue thiamin levels of hospitalised alcoholics before and after oral or parenteral vitamins
Lauri Keso, Arto Kivisaari and Mikko Salaspuro	53	Fractures on chest radiographs in detection of alcoholism
Richard A. Deitrich, Pequita Bludeau and Rodney C. Baker	57	Brain ascorbic acid levels: mice and rats selected for differences in acute reactions to ethanol
M. Ledig, L. Ciesielski, S. Simler, J. G. Lorentz and P. Mandel	63	Effect of pre- and postnatal alcohol consumption on GABA levels of various brain regions in the rat offspring
Vyacheslav U. Buko and Lubov I. Sushko	69	Role of microsomal ethanol-oxidizing system in regulation of linoleoyl-CoA desaturase activity after long-term ethanol administration
Anthony J. Barak and Harriet C. Beckenhauer	73	The influence of ethanol on hepatic transmethylation
M. A. Gouveia and G. M. Böhm	79	Phlogistic action of ethanol: a study of the vascular response in the gastric and duodenal mucosae
	87	Book Reviews
	91	Calendar
	93	Announcements
	i	Instructions to Authors

Number 2

Raymond M. Costello	95	*Editorial*: W(h)ither alcoholism treatment
A. J. Mander, G. J. Weppner, J. D. Chick, J. J. Morton and J. J. K. Best	97	An NMR study of cerebral oedema and its biological correlates during withdrawal from alcohol

Jayendra H. Shah	103	Alcohol decreases insulin sensitivity in healthy subjects
M. Labib and V. Marks	111	Hypophosphataemic osteomalacia and alcoholism: a possible link
I. Antti-Poika, E. Karaharju, R. Roine and M. Salaspuro	115	Intervention of heavy drinking — a prospective and controlled study of 438 consecutive injured male patients
Risto P. Roine, Ulla-Mari Korri, Reino Ylikahri, Antti Penttilä, Jarmo Pikkarainen and Mikko Salaspuro	123	Increased serum acetate as a marker of problem drinking among drunken drivers
Christine M. Schnitzler, Louise Menashe, C. G. Sutton and M. B. E. Sweet	127	Serum biochemical and haematological markers of alcohol abuse in patients with femoral neck and intertrochanteric fractures
Joseph H. Fleisher, Chien C. Lung, Geraldine C. Meinke and Jacob L. Pinnas	133	Acetaldehyde–albumin adduct formation: possible relevance to an immunologic mechanism in alcoholism
Olof A. Forsander	143	The interaction between voluntary alcohol consumption and dietary choice
Victor R. Preedy, Paul Duane and Timothy J. Peters	151	Biological effects of chronic ethanol consumption: a reappraisal of the Lieber–De Carli liquid-diet model with reference to skeletal muscle
Victor R. Preedy, Paul Duane and Timothy J. Peters	155	Comparison of the acute effects of ethanol on liver and skeletal muscle protein synthesis in the rat
P. Prior	163	Long-term cancer risk in alcoholism
Mats Berglund, Hans Bergman and Torbjörn Swenelius	173	The Swedish Alcohol Use Inventory (AVI), a self-report inventory for differentiated diagnosis in alcoholism
Boris M. Segal	179	*Letter to the Editor*: Comment on *Textbook on Alcoholism and Drug Abuse in the Soviet Union*
A. Ramsay Tainsh	180	*Letter to the Editor*: Alcohol and mycotoxins
Allan D. Thomson	181	Reply from the Editor
Dennis V. Parke	181	*Letter to the Editor*: Toxicity of alcohol in states of malnutrition
	183	Calendar
	185	Announcements
	i	Instructions to Authors

Number 3

Roger Nordmann	189	*Editorial*: First birthday: European Society for Biomedical Research on Alcoholism (ESBRA) — the past and future of the Society
Gellisse Bagnall and Martin Plant	191	*Editorial*: Alcohol education: the rocky road ahead
Ole-Jørgen Skog	193	Interpreting trends in alcohol consumption and alcohol related damage
A. Akane, S. Fukushima, H. Shiono and Y. Fukui	203	Effects of ethanol on testicular steroidogenesis in the rat
Henning Kelbæk, Susanne Fløistrup, Thomas Gjørup, Niels J. Christensen, Ole J. Hartling and John Godtfredsen	211	Central and peripheral haemodynamic changes after alcohol ingestion

Victor R. Preedy and Timothy J. Peters	217	The effect of chronic ethanol feeding on body and plasma composition and rates of skeletal muscle protein turnover in the rat
Raul Caetano	225	Concepts of alcohol dependence: the two worlds of research and treatment
Moira L. Plant and Martin A. Plant	229	Maternal use of alcohol and other drugs during pregnancy and birth abnormalities: further results from a prospective study
Peter Anderson, Lorna Angier and Jackie Hodgkinson	235	A comprehensive indexed bibliography data base using a micro computer
Douglas J. Buchanan	239	Studies on blood alcohol in the workers of a Zambian copper mine
	243	Book Reviews
	247	Calendar
	249	Announcements

FOURTH CONGRESS OF THE INTERNATIONAL SOCIETY FOR BIOMEDICAL RESEARCH ON ALCOHOLISM — ABSTRACTS

	iii	Contents
	A1	Condensed scientific program
	A3	Abstracts
	A91	Author index

Number 4

Brian D. Hore	253	Society's response to alcohol consumption and problem development
Bo Petersson	259	*Invited Article*: Analysis of the role of alcohol in mortality, particularly sudden unwitnessed death, in middle-aged men in Malmö, Sweden
Terrence M. Donohue, Jr, Mary L. Drey and Rowen K. Zetterman	265	Hepatic lysosomal cathepsin activities after acute ethanol administration
P. Duane and T. J. Peters	271	Nutritional status in alcoholics with and without chronic skeletal muscle myopathy
Päivi Kärkkäinen, Helena Mussalo-Rauhamaa, Kari Poikolainen and Jari Lehto	279	Alcohol intake correlated with serum trace elements
R. Farbiszewski and H. Gabryel	283	The liver peptides after chronic administration of ethanol in rats
N. A. Pikaar, M. Wedel and R. J. J. Hermus	289	Influence of several factors on blood alcohol concentrations after drinking alcohol
F. A. Wali and A. P. Hayter	299	Effect of ethanol on neuromuscular function in the rat diaphragm preparation
Christopher P. Jackson and Gerald Matthews	305	The prediction of habitual alcohol use from alcohol related expectancies and personality
S. C. Farrow, M.C. Charny and P. C. Lewis	315	A community survey of alcohol consumption
Roland Gustafson	323	Acute effects of alcohol on power distribution between man and woman
	331	Calendar

333 Announcements
i Instructions to authors

Number 5

Susan Wagner Glenn, Oscar A. Parsons, Rajita Sinha and Larry Stevens — 337 The effects of repeated withdrawals from alcohol on the memory of male and female alcoholics

Irina P. Anokhina, Boris M. Kogan and Alexander Z. Drozdov — 343 Disturbances in regulation of catecholamine neuromediation in alcoholism

Kazuaki Shimosato, Hideo Oda, Mitsuko Ohmae, Masafumi Tomita and Yoshitaka Doi — 351 Biphasic effects of alcohol drinking on methamphetamine metabolism in man

C. G. McCusker and R. Bell — 359 Conditioned ethanol preference in rats

D. Mascord, Jill Smith, G. A. Starmer and J. B. Whitfield — 365 Effect of oral glucose on the rate of metabolism of ethanol in humans

U.-M. Korri and M. Salaspuro — 371 Increased rate of ethanol elimination and elevated blood acetate in asthmatics on corticosteroid, beta-2-sympathicomimetic and theophylline treatment

Edward D. Adickes, Teresa J. Mollner and Susan K. Lockwood — 377 Closed chamber system for delivery of ethanol to cell cultures

Christopher J. Gordon, Lela Fogelson, Forrest Mohler, Andrew G. Stead and Amir H. Rezvani — 383 Behavioral thermoregulation in the rat following the oral administration of ethanol

Leigh D. Segel — 391 The development of alcohol-induced cardiac dysfunction in the rat

Joan Caballería, Miquel Torres, Jordi Camps, Albert Parés, María Reixach and Joan Rodés — 403 Urine ethanol assessment: a helpful method for controlling abstinence in alcoholic liver disease

Roland Gustafson — 409 Self-reported expected effects of a moderate dose of alcohol by college women

T. R. Redfern, D. Rees and R. Owen — 415 The impact of alcohol ingestion on the orthopaedic and accident service

Jose Catalan, Ann Day and John Gallwey — 421 Alcohol misuse in patients attending a genitourinary clinic

429 Calendar
431 Announcements
433 Erratum
i Instructions to authors

Number 6

Brian D. Hore — 435 *Editorial*: Alcohol and crime

S. F. Cutler, P. G. Wallace and A. P. Haines	441	Assessing alcohol consumption in general practice patients — a comparison between questionnaire and interview (findings of the Medical Research Council's general practice research framework study on lifestyle and health)
Norman G. Hoffmann, Patricia Ann Harrison and Fred Ninonuevo	451	Screening for alcoholism in general medical patients
C. Patrini, C. Reggiani, U. Laforenza and G. Rindi	455	Effect of acute and chronic ethanol administration on the transport of thiamine from plasma to different brain regions of the rat
Lars Rönnbäck, Elisabeth Hansson and Christer Alling	465	Primary astroglial cultures in alcohol and drug research
Kelly Beeker, Diana Deane, Charles Elton and Sam Pennington	477	Ethanol-induced growth inhibition in embryonic chick brain is associated with changes in cytoplasmic cyclic AMP-dependent protein kinase regulatory subunit
Maria Sancho-Tello, Rosa Sanchis and Consuelo Guerri	483	Effect of short and long-term ethanol feeding on the extent of metabolic tolerance in female rats
P. P. Aitken, D. S. Leathar and A. C. Scott	491	Ten- to sixteen-year-olds' perceptions of advertisements for alcoholic drinks
Roland Gustafson	501	Alcohol and social influence: female yielding to male and female group pressure
Edith S. Lisansky Gomberg	507	Alcoholic women in treatment: the question of stigma and age
Shoshana Weiss and Pnina Eldar	515	Alcohol control policy in Israel 1986–1987: recognizing the need for diverse primary prevention initiatives
	521	Book Reviews
	525	Announcements
	i	Volume Contents and Author Index, Volume 23, 1988
	I	Instructions to Authors
